

LIST OF ROOMS AT PENTIRE PENTHOUSE

Pentire Penthouse is a sophisticated circular penthouse apartment with expansive sea views. There's an outdoor hot tub on a huge terrace overlooking the wide white sands of Fistril Beach.

With four deluxe bedrooms, each one individually designed with elegant mid-century finds and cool calming natural materials, you can be sure of a relaxing night's sleep. Each room has its own bathroom, a super king size bed (all can be made up as double or twins) plus the option of two extra beds on request* with down surround pillows and ultra-warm and soft feather duvets, encased in the most luxurious 400 thread count Egyptian cotton linen. Bathrobes, bath towels, swimming towels, flannels and complimentary bath products are provided.

UPPER-FLOOR LIVING SPACES

The upper floor is a truly jaw dropping space – a circular open-plan room that incorporates a kitchen, dining room and sitting room into one sun-drenched communal area. Surrounded on all sides by nothing but glass, your eye is drawn inexorably outwards towards the mesmerising sea. With your uninterrupted bird's eye view of stunning Fistril beach and the wide blue ocean beyond, you'll struggle to tear your gaze away - especially if it's stormy!

The dining table seats 10, the state-of-the-art sleek white kitchen has all mod cons, and there is an ample comfy sitting area with desk and TV. The kitchen has a breakfast bar and additional card/breakfast table nearby.

Surrounded on all sides with a wrap-around balcony plus a huge 120m² sun terrace with a seating area and decadent hot tub. It's definitely worth cracking open a bottle of something to watch the sunset from here.
