

## LIST OF BEDROOMS AT WHITELACKINGTON MANOR

There's plenty of room for everyone at Whitelackington Manor. All rooms have recently been redecorated to the highest standard, and they're spread over the top two floors of the house for a quiet, serene feel. These rooms feature modern comforts like marble en-suite bathrooms and stylish light fixtures, while also honouring the manor's original features. Expect ornate four-poster beds, intricate wallpaper and exposed wooden beams.

Here's a list of all available bedrooms:

### BEDROOMS – sleeps 22 (+2) in 11 bedrooms

---

#### First floor bedrooms

- Master bedroom – fixed as a superking double room, it has an en-suite with a separate bath and walk-in shower
- Church room – fixed with a four poster superking double bed, there is a freestanding bath in the room and an en-suite with a walk-in shower
- Beech room – opposite the Church room, this has zip & link beds that can be setup as a superking double, or as twin single beds. The en-suite has a bath with a shower above
- Monmouth room – a spacious room that can be setup with a superking double, or with twin single beds, the en-suite has a bath but no shower
- Carnation room – a double aspect room with views over both the East and South gardens, this room can be setup with a superking double, or with twin single beds. The en-suite has a bath with a shower above, and there is also a small private foyer between the bedroom and bathroom with space enough for an infant cot if needed
- Garden room – a smaller, but very nice room opposite the Carnation room, the bed is fixed as a kingsize double. The en-suite has a walk-in shower but no bath

#### Second floor bedrooms

- Nutcracker room - named after the low doorway that's knocked a few visitor's heads rather than the ballet, this room is fixed as a kingsized double room. The bathroom has a freestanding bath and a separate walk-in shower. The room is accessed through the "dormitory"
- Carnival room - this room can be setup with a superking double, or with twin single beds. There is a sunken bath in the bedroom looking out over the South garden and an en-suite walk-in shower room. The room is accessed through the "dormitory"
- Loft dormitory - this living / sleeping room can be used for extras, it contains four beds that can be setup as singles or doubles, and there is a newly built en-suite bathroom with a bath and a walk-in shower. Note that the two bedrooms above are both accessed through this room, so there is limited privacy
- Ash room - accessed up a narrow spiral staircase, this room can be setup with a superking double, or with twin single beds. It shares a shower room with the "Aragon" room
- Aragon room - accessed up a narrow spiral staircase, this room is in the eaves and has a double aspect over the East and South gardens. It can be setup with a superking double, or with twin single beds. It shares a shower room.
